

ARE YOU AN ASAHERD MEMBER?

Calling all Graduate Students!

NETWORKING OPPORTUNITIES

ASAHERD provides a platform for graduate students to connect with professionals, educators, researchers, and peers in their field. Networking can lead to collaborations, mentorship opportunities, and exposure to diverse perspectives and career paths.

ASAHERD offers graduate students the opportunity to present their research by submitting a research poster at the Fall and Spring Conferences. Thereby gaining valuable feedback and exposure.

CONFERENCES

RESEARCH SUPPORT

ASAHERD often supports and promotes research initiatives within its membership. Graduate students can benefit from resources and guidance for their research endeavors.

ASAHERD's website and social media channels are your go-to platforms for staying updated on current topics relevant to your future profession. Webinars and the ASAHERD Journal offer additional insights and research to enrich your educational journey.

RESOURCES

LEADERSHIP

ASAHERD offers the opportunity to join the Board of Directors, where you can collaborate with other leaders and represent graduate students within our state professional organization and beyond.
